

Greenhouse/Nursery Yard Associate

Wannemaker's, a family owned top 100 garden center, is currently seeking a reliable, hardworking individual to join our team in a physically active role supporting daily operations in our garden center. This position requires strength, stamina, and a willingness to work outdoors in varying conditions.

Responsibilities:

- Load and unload plants, trees, shrubs, and garden materials for customers and deliveries
- Safely move and position heavy items, including large planters and concrete fountains
- Operate forklifts and other equipment to transport inventory (training/certification required or provided)
- Assist with stocking, organizing, and maintaining outdoor sales areas
- Provide helpful, efficient service to customers with purchases and loading assistance
- Maintain a clean, safe, and organized work environment

Physical Requirements:

- Ability to lift and carry heavy items (often 50–100+ lbs) repeatedly throughout the day
- Comfortable being on your feet for extended periods
- Ability to bend, lift, push, and pull consistently
- Capable of working in outdoor weather conditions (heat, cold, rain)

Qualifications:

- Prior forklift experience preferred (or willingness to learn)
- Experience in landscaping, nursery, or garden center environments is a plus
- Strong work ethic and team-oriented attitude
- Ability to follow safety procedures and instructions

Schedule:

- Must be available during peak seasonal periods, including weekends and holidays
